### Rubble Rumbles don't Ruffle Robins

The observant amongst you will have noticed that the wall in Robins classroom has been removed at half term. This has made the space far more open and flexible for Robins to use. Unfortunately Robins were forced to spend a couple of days in the hall while the dust settled and the classroom was set up by our hardworking Early Years team. The children coped magnificently and are now enjoying the extra space.

### Free School Meals

Can we remind you that application forms for free school meals are available from the school office or online from Staffordshire County Council. If you are eligible for free school meals the school will receive extra funding that can be spent to support your child's education. Please note that this is **not** the new Universal Free School Meals that are being introduced by the Government from September for Reception, Year 1 and Year 2 children. Further details regarding this will follow shortly.

### Utterly Brill Butterfly Farm

Reception joined Swans this week to visit a butterfly farm. I'm sure many of you were regaled with stories about tarantula skins, creepy crawlies and beautiful butterflies. We now have our own caterpillars in school that we will be watching develop over the next few weeks.
